Hi Carl,

Much appreciate you being able to review the draft comments and provide some additional thoughts.

Actually, I met with Sara yesterday about the BLM's proposals and my draft comments and she was great in being able to give some time for a review.

From your questions below, my thoughts would be as follows:

Thoughts?

Thanks!

Tim

I made a few suggestions to your draft comments (at least for the first part of the file). Have you had any success in having ORC look at the comments?

Hi Carl and Scott,

As a Heads-up; I know you both have talked about these materials, but I wanted you to have a draft version of the preliminary comments to look at (Chris R. has weighed in along with Tom Coda – OAQPS. My bad in timing for asking for a review by Sara L. in ORC – will see what she may be able to provide later in the week.)

Please let me know if there are questions. I missed the original due date request of BLM for 7/31/14 and called and got a revised date of 8/8/14. I think to do a good job of the response, we should target 8/18/14.

Thanks!

Tim
